

## Senior Portrait Information for EMHS Class of 2011

### Lindahl Photography is your official school photographer

By now, many of you already know us. We are your photographer for all your dances, sports, school pictures and now your senior pictures. This is important information, so pass it along to your parents.

To be included in the yearbook, you must be photographed by Lindahl Photography.

### Is there a cost to be included in the yearbook?

No. To have your required yearbook photograph made, there is no charge. If you would like to order prints of your yearbook pose or add additional outfits, charges will apply.

### When and how do I get my required yearbook photograph made?

Call the studio at 574-295-4407 and make an appointment between now and September 17, 2010. Prime time appointments (after school, evenings and Saturdays) fill up early, so do not delay.

Note: Choose the right clothes for your yearbook session!

*A collared shirt for guys is minimum, a coat and tie is classic. For girls we suggest solid colors, nothing cut too low, and long sleeves. Your school rules say no hoodies, t-shirts or clothing with printing.*

### What if I want more than a yearbook photograph?

Lindahl Photography specializes in seniors. It's what we love to do. From classic to cool...from traditional to trend-setting. Lindahl does it all. Styles are constantly changing. What was "in" last year could be passé this year. We understand this. We want your portraits to be about you.
